289 - 289 - 279 = 857

High Average - Carl Fietek 244

Director of the Year - ?

These two symbols have long been an icon for the Minneapolis area bowlers. This will perhaps be the last time that most of you will see these logos. They were and still are the symbols of hundreds of volunteers that have dedicated countless time and personal pleasures to insure that bowling is and has always been a “true” family sport and tradition. We would like to thank all of these “volunteers” for the effort that they have done for so many bowlers by so few a volunteers! Without these people, there would not have been any associations the quality of the Minneapolis Area!

THANKS FOR ALL THAT YOU HAVE DONE!
